Dear Minister, *Tony*

Emergency Services Review

Following my letter of 23 October 2014, I advise that the following resolution was passed unanimously at the Adelaide Hills Council meeting held on 28 October 2014:

"That Council writes to Tony Piccolo MP, Minister for Emergency Services, Geoff Brock MP, Minister for Local Government and Minister for Regional Development and copy to Members of the House of Assembly occupying seats within Adelaide Hills Council, Duncan McFetridge MP, Opposition Spokesperson for Emergency Services and Stephen Griffiths, Opposition Spokesperson for Local Government and Regional Development, approving the following comment in regard to the review of Emergency Services and in particular the Discussion Paper September 2014:

- 1. Council values and supports the work of the CFS, SES and MFS and farm firefighting units.*
- 2. Council would not support a structure which threatens the loss of identity of the CFS and SES, nor which does not understand, or value, the extraordinary volunteer culture of CFS and SES."*

This letter has been forwarded to you to be included as feedback into the Emergency Services Review consultation process.

Yours sincerely

Andrew Aitken
Chief Executive Officer
